How to Wear PANTS

- Tailored Trousers I love with a fitted top or t-shirt. Any shoe, flops to heels.
- Barrel jeans and wide leg jeans are incredibly versatile. Pair with kitten heels, mules, sneakers, boots or flats.
- Sweatpants and leggings, pair with tank, funky cardigan, funky accessories & casual shoe of choice.

How to Wear SHORTS

- Tailored Short Shorts, one of my favorite trends of the season! No front pleats. Anything goes with this style. Trust, play!
- Capri trousers, keep it classy with basics. Elevate with a sexy mule, accessories, handbag and a cropped blazer when needed.
- Above Knee shorts - anything goes.

How to Wear SKIRTS

Sequin, lace or slip skirts, one of my favorite things to wear! Paired with a plain, band tee or simple tank. Wear with Leather flip flops or simple strappy heeled sandals.

Semi Sheer pencil skirt, pair with a capri legging or perfect full bottom pantie. A cropped tee or simple tank, accessorized perfectly.

Tailored Front Slit Skirt and Midi Denim skirt. These can be used for work, so chic. For everyday, pair with a tank of choice, even metallic! These are so versatile, even wear with your funky sneakers.
